SPELLING BEE

"A New Word a Day Turns You into a TOEFL Pro!"

Unlock the power of words! Our Spelling Bee Program is designed to help students master English vocabulary, spelling, and pronunciation.

One root word at a time, through 50 weeks of structured learning, students can develop the language skills needed to excel in international exams like TOEFL, IELTS, GRE, GMAT, UPSC etc.

The Word Journey: Eligibility (Grades 1 to 9):

- **Root Word Magic:** Master 300 root words, leading to 3000 related words.
- **Daily Word Research:** 9 words/day (3 Root words, 3 synonyms, 3 antonyms) — approx. 2700 words per year.
- **27,000 New Words in 10 years along with** meanings, sentence creation, fluency, and pronunciation.
- Students will get an opportunity to participate in the national level spelling bee competition.

Spelling Bee Competition:

School Level:

Contestants compete within their school, testing their spelling skills with the assessment paper by Viswam Edutech. (Offline Mode)

Regional Levels

Top performers from school-level competitions advance to Regional Levels, facing more challenging words in the online & Offline Mode.

National Level:

The best spellers from all regions compete nationally, showcasing their mastery of words at the highest level in the offline Mode.

Competition Structure:

Here's how it works:

- 50% of the competition comes from the Spelling Bee Booklet with Synonyms, Antonyms.
- The remaining 50% is based on content from the exclusive academic textbooks
- **Winner and Participation Certificates:**
Celebrate every achievement!

- **Featuring Topics:** Word assemble, Antonyms, Synonyms, Suffix, Prefix, Compound words, scrambled letters, Missing letters, Word representation using phonetic Symbols.
